ABOUT LAW OFFICE

We are the Law Office, which mainly advises entrepreneurs. Partners of the Law Office derive their experience from cooperation with financial institutions. Therefore, our main activity profile is associated with advising on the establishment and structuring of enterprises, raising capital and the issue of securities and introduction them to public trading. Capital market, where a significant number of our customers operates, puts the owners and management of the companies specific requirements. We advise on proper fulfillment of these duties. We serve both small and medium-sized enterprises, but also large capital groups. We operate in Poznan and Warsaw.

We are a partner of the Warsaw Stock Exchange, an Authorised Adviser on NewConnect for shares and Catalyst for non-treasury bonds. This achievement is a result from the fact that our professional experience built since 1990 was following the transformation of the Polish economy suited to the needs of legal advice. It was connected with the possibilities offered by the development of the capital market in Poland.

For those of our customers, whose shares are traded on the stock exchange we advise in meeting the standards of the market, corporate governance and fulfilling information duties. The main profile of our activity is ongoing and strategic advice for entrepreneurs, in particular:

1. Debuts on Warsaw Stock Exchange
   a. participation in the process of introduction of securities (IPO) on the WSE’s main market and to the alternative trading system (NewConnect and Catalyst)
   b. participation in advisory consortia including brokerage houses, auditors and other advisors
